

Pre-breeding strategies for obtaining new resilient and added value berries

Data Protection Statement

Data protection regarding processing and evaluating applications

In order to process and evaluate the applications, the following partners of the HORIZON 2020 project BreedingValue (Grant Agreement No.101000747) will need to process personal data:

- P-1 UNIVERSITA POLITECNICA DELLE MARCHE (UPM), Italy
- P-2 INSTITUT NATIONAL DE RECHERCHE POUR L'AGRICULTURE, L'ALIMENTATION ET L'ENVIRONNEMENT (INRAE), France
- P-3 UNIVERSIDAD DE MALAGA (UMA), Spain
- P-4 LUONNONVARAKESKUS (LUKE), Finland
- P-7 THE JAMES HUTTON INSTITUTE (JHI), United Kingdom
- P-8 NORSK INSTITUTT FOR BIOKONOMI (NIBIO), Norway
- P-11 CONSIGLIO NAZIONALE DELLE RICERCHE (CNR-IBE), Italy
- P-12 INVENIO (INVENIO), France
- P-13 NIAB EMR (NIAB EMR), United Kingdom P-19 C.I.V. - CONSORZIO ITALIANO VIVAISTI - SOCIETA' CONSORTILE A R.L. (CIV), Italy
- P-15 FRESAS NUEVOS MATERIALES SA (FNM), Spain

- P-18 Sant'Orsola societa cooperativa agricola (S'O), Italy
- P-20 EURICE EUROPEAN RESEARCH AND PROJECT OFFICE GMBH (EURICE), Germany

In this context, P-20 EURICE is responsible for the formal evaluation process while the other partners mentioned above are part of the Evaluation Board.

The personal data will be processed according to the contractual obligations stated in articles 39 and 15 in the Grant Agreement.

Each partner involved will process the relevant personal data in compliance with applicable EU and national legislation on data protection (including authorisations or notification requirements).

Relevant personal data are:

- Surname
- Name
- Institution
- Academic degree
- Title
- Gender
- Position
- E-Mail-address
- Phone number.

Additionally, the BreedingValue consortium will keep internal records on the evaluation as audit trail in case of e.g., contestations by applicants, audits, or checks by the European Commission. These records comprise:

- A listing of applications received, identifying the proposing organisations involved (name and address);
- All received applications;
- All communications with applicants before call closure and during evaluation;
- The names and affiliations of the experts involved in the evaluation;
- For each application a copy of the filled forms used in the evaluation.

Please note, the bank account details will only be requested if the application is successful.

Data protection and confidentiality

During implementation of the action and for five years after the end of the BreedingValue project the parties must keep confidential any data, documents or other material (in any form) that is identified as confidential at the time it is disclosed ('confidential information').

If a selected applicant requests, the BreedingValue consortium and the European Commission (as the responsible funding authority) may agree to keep such information confidential for an additional period beyond the initial four years. This will be explicitly stated in the sub-contract.

If information has been identified as confidential during the sub-grant execution or only orally, it will be considered to be confidential only if this is accepted by the coordinator and confirmed in writing within 15 days of the oral disclosure. Unless otherwise agreed between the parties, they may use confidential information only to implement the Agreement.

The selected applicant may disclose confidential information to the members of the BreedingValue consortium. The members of the consortium undertake additionally and without prejudice to any commitment of non-disclosure under the Grant Agreement, for a period of four years after the end of the BreedingValue project, not to disclose confidential information.

Data processing

The personal data collected from the applicants in the targeted calls within BreedingValue will be processed in accordance with the GDPR and national and international laws. All personal data will be:

- a) processed lawfully, fairly and in a transparent manner in relation to the data subject ('lawfulness, fairness and transparency');
- b) collected for specified, explicit and legitimate purposes and not further processed in a manner that is incompatible with those purposes ('purpose limitation');
- c) adequate, relevant and limited to what is necessary in relation to the purposes for which they are processed ('data minimization');
- d) accurate and, where necessary, kept up to date; every reasonable step must be taken to ensure that inaccurate personal data, having regard to the purposes for which they are processed, are erased or rectified without delay ('accuracy');
- e) kept in a form which permits identification of data subjects for no longer than is necessary for the purposes for which the personal data are processed ('storage limitation');
- f) processed in a manner that ensures appropriate security of the personal data, including protection against unauthorized or unlawful processing and against accidental loss, destruction, or damage, using appropriate technical or organizational measures ('integrity and confidentiality').

Consent

I hereby provide the above-mentioned partners in the BreedingValue consortium my consent to process personal data.
